Drift Open Day
Rules and Regulations
OPEN DRIFT DRIVER AND CAR REQUIREMENTS

Drift Circuit **REQUIREMENTS**

Driver Requirement.

i. License

Driver must be in possession of a full current road driving license or current competitions license.

Drivers under the legal age must have a valid National C or higher competition license.

ii. Registration

Every driver must sign on at registration and collect a wristband then attend a driver safety briefing before driving on the track.

The instructor will explain track rules & signals and other important information before the start of the session.

Extra drivers are permitted at extra cost and must sign on at the registration desk.

iii. Passengers

The minimum age for passengers is 15 years old, and proof of ID must be shown.

Passengers under the age of 18 must have the appropriate section of the Open Drift Terms and Conditions form signed by their parent or legal guardian

Passengers are free but must also sign on at registration to collect a wrist band before being allowed on circuit.

Passengers are required to wear helmets during the session.

iv. Helmets

Helmets are required for both Driver & Passengers

Open face helmets are fine unless your car doesn't have a windscreen in which case it must be a closed face helmet.

In case of a convertible car, a full-face helmet is mandatory.

Off-road style, motorcycle, bicycle, rock climbing, sky dive helmets are not permitted.

Helmets must be certified and homologated with the minimum following specification

Helmet Certification requirements must be one of the following.

DOT

BSI

ECE – 2205

SNELL (SA2015, SA 2020, K 2015, K 2020)

Helmets can be hired at the circuit if you do not own one

vi. Racing Overalls (Suits.)

Racing overalls are required.

Drivers and passengers must wear closed shoes (No sandals/flip-flops/high heels permitted).

Car Requirement.

i. General Requirements & Guidelines

Vehicle must meet roadworthy regulations.

You must show proof of ownership of the vehicle being driven.

No single-seaters, or SUV allowed.

For SUVs to be permitted please contact us.

All cars must have functional:

Front and rear lights

Brake lights

Indicator lights

Ensure there are no fluid leaks, check fluid levels and tire pressures

Any car with leaks will NOT be permitted on to the Circuit.

All loose articles inside your car, including the boot, must be removed

A towing hook must be fitted to the front of the car before going on The Drift Circuit.

{The responsibility for ensuring that the car is in safe and suitable condition rests with the driver}

It is highly recommended to use performance racing brake fluid.

Your standard insurance car cover does not cover you for track days !! if you damage your car you will be responsible, and although the circuit will have insurance, it will only be for Third Party Public Liability.

Track days are not competitive.

Any stoppages or delays on track due to incidents during driving sessions will not be refunded, and session time will not be extended.

If both parties agree, then Tandem is allowed only if both parties show previous competitive history.

There are fuel stations along the highway. Bring your own fuel.

Car groups will be allocated by engine size/power/driver level. Kuwait Motor Town will allocate Groups
